2018 is a very important year for GMSS. We celebrate our 30th birthday!

We certainly have gone far since the early days in a small office space above the Lake Elmore store.

We have succeeded and grown to a point where we have outgrown our 109 Professional Drive office space and will be moving in to a new space that CCS Constructors Inc is building for us in

May 2018.

Frankly speaking, we would not be

where we are as an agency without the advocacy and support of our clients, employees, guardians, and shared living providers.

We have a years worth of activities and celebration to signify our 3 decades of service; much if it will be geared towards increased honor and recognition to all of you who are part of the GMSS family.

Please stay tuned over

the course of the next few months to receive updates on all the excited events that are planned.

Also, if you haven't yet, please go ahead and keep our website bookmarked so you can keep up to date with all the news and updates that come along.

We are also on Facebook, Twitter, and Instagram.:

Our New James Drive Location has walls!

If you happen to be driving on Grand Army of the Republic Highway (East of the Morrisville Price Chopper), you will be able to see the new GMSS building being constructed. We are planning to move in near the end of May 2018.
